

Todd Rundgren

I have been a Todd Rundgren fan for over 40 years now. His music has helped me cope with many things in my life including having RSD and now having an amputation.

I feel that Todd is one of the most talented musician, song writer and music producer that I have ever met in my life. If you have ever heard Todd's music or had an opportunity to see Todd in concert, you will know what I mean.

Most people do not know who Todd Rundgren is. Most people say Todd who?

Todd's best-known songs are "Can We Still Be Friends," "Hello, It's Me" "I Saw the Light," "Love is the Answer," and "Bang on the Drum All Day" (this is the song that you hear at every sporting event). Todd is also known for his work with his two bands Nazz and Utopia, while producing records for artists such as Meat Loaf, Hall and Oats, Grand Funk Railroad, Hiroshi Takano, Badfinger, XTC, and the New York Dolls.
